President's Message

Best of the Best

The late President B. F. McLaurin had a desire to continue providing education to students beyond the 12th grade. This aggressive mindset birthed Coahoma Community College into existence in 1949. President McLaurin collaborated with talented heroines such as Mrs. Zee Anderson Barron and Ms. Mary Whiteside. In 1949, there were 14 non-integrated state supported junior colleges in Mississippi. To become a junior college, President McLaurin had to enroll at least 20 students. Fortunately, Coahoma Community College started with 22 students. From this modest beginning, Coahoma Community College has flourished into a growing, state supported racially integrated, innovative and service minded institution of higher learning. In the words of the fourth president of Coahoma Community College (Dr. Vivian M. Presley), we strive to serve as an institution of Quality and Excellence. From Presidents McLaurin, Miller, Martin, Presley and on, we celebrate how Coahoma Community College has excelled in nearly every facet of society and vocations due to the outstanding faculty, staff, graduates and students who received the opportunity to Discover, Grow and Excel through services provided by Coahoma Community College.

Coahoma Community College has always made an effort to reach the highest level of success for students and staff. Faculty members of Coahoma Community College are reputable and recognized in their academic fields. Members of our staff hold advanced training credentials and have served in a myriad of roles in industry, business and beyond. Students of Coahoma Community College transfer to other institutions of learning and perform exceptionally well. Our student's transfer grade point averages are among the highest in our community college system. Similarly, students who complete their studies at Coahoma Community College also enter into a variety of job fields and perform exceptionally. Nearly 70 years after its establishment, CCC is still reaching the zenith and best of many areas of higher education, workforce training and athletics.

May this yearbook serve as a touchstone and reminder that our sparks still glows and the journey is not over

Dr. Valmage T. Towner

A ROYAL OCCASION OF BLACK & WHITE

MR. & MISS COAHOMA COMMUNITY COLLEGE

ROYCE WILLIAMS, JR AND CORTISE BRIANNA BROWN

Cortise Briana Brown is a native of Clarksdale, Mississippi; who is the daughter of Carl and Cassandra Palmer. She is a Freshman with a 3.5 GPA and is currently pursuing an Associate's Degree in Speech Education.

Her goal is to receive her Bachelor's and Master's Degree, as well as to become a Speech Pathologist. Cortise is a 2015 Honor Graduate from Terry High School. She graduated in the top 10 percent of her class with a 3.9 GPA. Throughout high school, Cortise participated in both academic and extra-curricular activities. She was a member of the National Honor Society, Beta Club, Yearbook Staff, and Cheering Squad. Her love for art and dance was heightened in high school while attending the Academic and Performing Arts Center as a dance member.

Receiving the honor of Miss Coahoma Community College extends far beyond wearing the crown and fulfilling her childhood dream. Marian Wright Edelman once said, "Service is the very purpose of life. It is the rent we pay for living on the planet". This quote speaks to the very heart of why she wanted to become Miss Coahoma Community College. Cortise believes that giving to others through service makes you a better and more caring person. Becoming Miss CCC will provide Cortise with a broader platform to provide service to CCC and the local community.

Royce Williams, Jr. is a native of Cleveland, Mississippi who is the son of Ms. Crystal and Mr. Royce Williams, Sr.

Royce was a proud 2015 graduate of East Side High School. At East Side, he participated in baseball, choir, and one year of football. He was elected Mr. Freshmen, Mr. Junior and twelfth grade representative, and prom king.

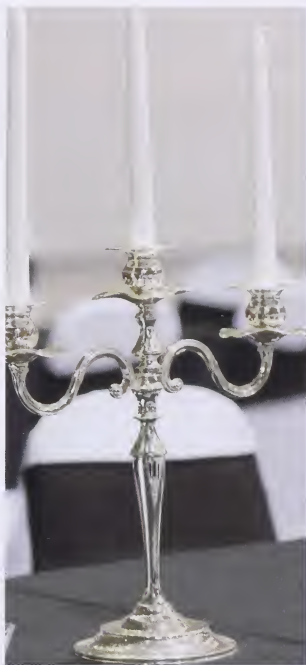

As a leader, Royce served as Section Leader of the East Side High School Choir.

Currently, Royce is a Health, Physical Education & Recreation major. He is a member of the Coahoma Community College Choir and a member of the HYPER Club.

Royce aspires to attend Mississippi Valley State University to continue his education to become an Athletic Director.

Royce encourages all young men that no challenge is too big to overcome.

SkillsUSA is a vital solution to the growing U.S. skills gap. This nonprofit partnership of students, instructors and industry ensures America has the skilled workforce it needs to stay competitive. Founded in 1965 and endorsed by the U.S. Department of Education, the association serves more than 300,000 member students and instructors each year in middle schools, high schools and colleges. This diverse talent pipeline covers 130 trade, technical and skilled service occupations, the majority STEM-related. More than 600 corporations, trade associations, businesses and labor unions actively support SkillsUSA at the national level. SkillsUSA programs are integrated into career and technical education through a framework of personal, workplace and technical skills grounded in academics. Local, state and national championships, designed and judged by industry, set relevant standards for career and technical education and provide needed recognition to its students. SkillsUSA also offers technical skill assessments and other workplace credentials. For more information, go to: www.SkillsUSA.org.

The students will be traveling to Jackson, MS on February 27-March 2, 2017 for SkillsUSA MS State Championship competition. The students will be competing in the areas of Brick Masonry, Carpentry, Collision & Repair, Computer Servicing, Culinary Arts and Welding. The career and technical students will be competing among students from the other community colleges.

CCC celebrates second largest graduating class during 2016 commencement

Graduation 2016

Speaker Dr. Bryant Marks highlighted success stories among the 495 graduates who were conferred degrees during CCC's 2016 Commencement.

Marks is an Associate Professor of Psychology at Morehouse College and serves as the Senior Advisor of the US Dept. of Education's White House Initiative on HBCUs as well as the Director of the Morehouse Male Initiative.

Marks' key points included the importance of discipline, focus and determination. He admonished the graduates to avoid "weapons of mass distractions" such as phones, television and other gadgets. "Being focused is very difficult because there are so many things to distract you," said Marks. "However, you can tell someone's priority by the way they spend their time and money."

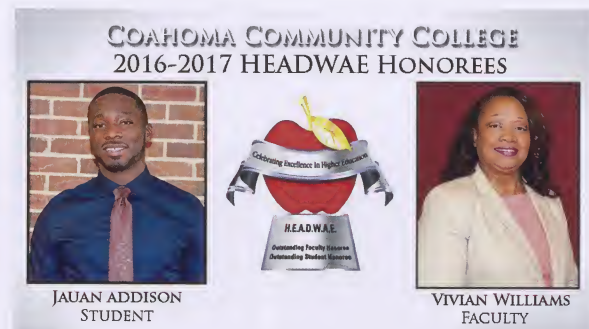

Marks then encouraged the graduates to not simply chase a paycheck, but rather spend time cultivating their passion.

of his dedication and unwavering commitment to
education, CCC is proud to announce Pullen as its

Chef Bernnon Warr and Assistant Chef Joann Hoskins demonstrate how food should look.

Coahoma Community College has been ranked among the **Top 10 Culinary schools in Mississippi by Best Choice Schools.**

According to Best Choice Schools, the best culinary schools in Mississippi offer a variety of certificates and degrees in the culinary arts and related fields. The top 10 culinary schools were selected based on variety of coursework, low student to faculty ratio, professional work setting, and internship opportunities.

"At Coahoma, we are committed to providing

accessible, affordable, diverse, and quality educational programs and services," said CCC President Dr. Valmadge Towner. "We are incredibly proud to be recognized by Best Choice Schools as one of the top culinary schools in Mississippi."

CCC offers an associate's degree in Culinary Arts Technology. Students complete a variety of coursework, including culinary principles, baking, hospitality supervision, sanitation, menu planning and design, and American Regional Cuisine.

Top Tiger Choir Members attend statewide conference CCC Director of Choral Activities Kelvin Towers (front, center) travelled with 18 choir members to Hattiesburg for the annual University of Southern Mississippi's Invitational Choral Conference.

The annual event exposes more than 600 students to other talented singers from across the state as they work with acclaimed guest clinicians.

According Towers, CCC students were able to expand their skills and network during the conference.

Tia Davis is crowned Miss Coahoma Community College 2017-2018

"Growing up I really dealt with a lot of insecurities and self-esteem issues," said the freshman Pre-Nursing major from Cleveland, MS.

"My confidence level has really grown since then, and I decided to sign up for the Miss CCC pageant because I felt like it would give me the opportunity to be an example for other girls and women out there struggling with self-esteem."

Colophon

The Coahoman 2017 edition was printed by Balfour Publishing Company in Dallas, Texas. The 160 page, full-color book was submitted digitally for a press run of 1100. Karen Loden serves as the sales representative.

Trent Calvin Photography of Clarksdale, MS photographed all coronation, freshmen, sophomores, clubs/organizations and faculty and staff photos. Candid shots were taken by Brittany Davis-Green, John Mayo, Joe Zanaboni and Mary Caradine.

The cover is a 4-color lithocote hard cover with softouch lamination. Gold foil and UV clear varnish applications were also used on the cover. The endsheet is Rainbow Gray Felt stock with a blind emboss application.

The typesetting and page production were completed using Balfour's StduoWorks online software and Microsoft Word on Dell computers. The type fonts used were Ballardvale and Times New Roman.

Mary Caradine and Yvonne Stanford were the yearbook advisers.
